

# **DEPLOYMENT STRATEGIC PLAN FOR INSTITUTIONAL ADVANCEMENT**

## **EXECUTIVE SUMMARY**

In the dynamic landscape of higher education, the imperative to anticipate and address future challenges grows more pressing. This strategic plan lays the groundwork for advancing our institution in critical areas essential to realizing our vision. With a focus on curriculum development, teaching and learning, Examination and evaluation, research and development, library services, Library, ICT and Physical Infrastructure / Instrumentation, human resource management and industry interaction/collaboration we aim to fulfil our institution's noble vision.

## **CURRICULUM DEVELOPMENT**

The college have a dynamic curriculum which inspires the learner to participate in the learning procedure and enable his all-round development. It helps in the development of individual qualities, acquisition of general skills and specific skills in the subject and attempts to master the core subject using these skills. Teachers of our college participated in workshops and seminars in connection with the restructuring of UG curriculum of University of Calicut. Their innovative suggestions and deliberations have contributed much in the restructuring of UG curriculum of University of Calicut. For UG programs, we have common courses, core courses, complementary courses and open courses. The open courses offered by different departments provide academic flexibility for the students. It includes the activities like research, teaching, learning as well as imparting training in the personality development.

## **TEACHING AND LEARNING**

Since the strength of quality education depends on the strategies adopted for teaching learning process, staff council and IQAC are actively involved in taking appropriate initiatives to chart out various academic activities well in advance. College level academic calendar, master time table and department time table are framed in time. Year plan framing also helps time bound and effective conduct of various programmes. ICT enabled teaching is

implemented to the maximum possible level. Active involvement of teachers, students and parents in the teaching learning process is ensured by organizing regular staff meetings and PTA meetings. An orientation programme is conducted for newly enrolled students and their parents. Faculty members of various disciplines regularly attend orientation, refresher and faculty development programmes.

### **EXAMINATION AND EVALUATION**

College follows the system of choice based credit semester system at the U.G. and P.G. level by the rules of University of Calicut. The evaluation has two components external and internal. The external evaluation is done through a University monitored written examination at the end of each semester. The internal component consists of continuous evaluation at the College level. In tune with the reforms made by University, the internal evaluation system of the College is revised from time to time. A proper system is following for internal evaluation. At the beginning of academic year itself the time table for internal examination were published. All departments works accordingly and results of internal exams published in allotted date. The results were communicated to parents by conducting class wise PTA meeting with the leadership of tutorial in charge. The internal evaluation of U.G. and P.G. are done on the basis of important criteria – attendance, assignment, seminar and internal examination. After the conduct of internal examination answer scripts are evaluated within the stipulated time and the scheme of evaluation is made transparent to the students. Model exams are also conducted and continuous assessment ensure student participation and involvement.

### **RESEARCH AND DEVELOPMENT**

Research is an essential component of curriculum in all the departments. Students are motivated to take socially relevant research and pursuer research studies in future. The research activities are monitored by a Research Committee. The research committee helps to improve the current research topics as well as contemporary social realities by providing long term international expertise to researchers from peripheries. It would also provide facilities to house scholars visiting from other parts of Indian state.

The teaching staffs are encouraged to achieve research guideship. The faculty members are encouraged to undertake research and for this purpose they are taking benefit of

programmes like Faculty Improvement Project of UGC. Faculty members are motivated to undertake research projects and other research activities including publications and conference presentation.

The students are always encouraged to take part in research work, paper publications and poster presentations. All publications from the institution are subjected to plagiarism check. All research guides of the different disciplines are encouraged to undertake research projects from different funding agencies.

### **LIBRARY, ICT AND PHYSICAL INFRASTRUCTURE / INSTRUMENTATION**

Books purchased during the last year were processed and the details were provided in the computers for the benefit of user's. Additional funds were requested for more journal. Due to the pandemic situation the regular routine works led to be carried out. Online resources could be browsed with the help of N-list programme of INFLIBNET.

### **HUMAN RESOURCE MANAGEMENT**

Staff council convene regularly and take important decisions, college level subcommittees formed to coordinate other activities, tutorial system regulate students.

### **INDUSTRY INTERACTION / COLLABORATION**

As part of their curriculum, Science, Commerce, and Economics Department conducted industrial visit to manufacturing industries. Internships were also performed by final-year graduates in various companies.

## ***'IRUPATHMURI'* REHABILITATION PROJECT**

The *irupathmuri* rehabilitation project may be considered to be one of the most commendable social projects undertaken by Govt. Arts and Science College Calicut. It pertains to the incessant measures pursued by the college officials in ensuring a proper rehabilitation to the residents in the twenty houses (*irupathmuri*) that existed in the central region of the college compound. As per G.O.No.372/08/Rev. dtd 01.11.2008, a land area of 45 cents in the southeastern part of the college compound was deposited in Kerala State Land Bank (KSLB) for the purpose of relocating the families.

A significant step towards the implementation of the project was initiated in the meeting convened by the Minister for Higher Education on 14.05.2014 in the presence of the Minister for Panchayats and Social Justice, wherein the execution of the work was entrusted to Kerala State Nirmithi Kendra, an accredited agency. It was also decided to utilize the Legislative Assembly Constituency Asset Development Fund (LAC ADF) to meet with the cost of the project.

The Kerala State Nirmithi Kendra officially commenced the work on 20.01.2017 and completed the work in different phases. The project was officially inaugurated on 30/01/2021. Throughout this period, the principal of this college remained the drawing and disbursing officer of the amount from Additional Sub Treasury Kozhikode.

- a) First Party is a Higher Educational Institution named Govt. Arts & Science College, Calicut, Kozhikode, Kerala, India: Established in 1964, GASC affiliated to the University of Calicut has been imparting quality education for the last 60 years as one of the most prestigious Arts & Science Colleges in Malabar. Govt. Arts & Science College is the only Govt. College in Kozhikode City Corporation. This institution is the result of the determined efforts of the people of Kozhikode, to have an institution for all sections of students, when there was an unprecedented rush for admission. It is the manifestation of the aspirations of the people of this area. The College was established as per Govt. Order No.309/Edn dated 29.07.1964. Regular work started on 10.08.1964. College was originally affiliated to Kerala University but subsequently brought under the newly formed University of Calicut in 1968. The College started functioning with just two halls and an office room as a temporary arrangement at the campus of Govt. Training College, Mananchira, Kozhikode. The first principal was Prof. Karimpuzha Ramakrishnan, an eminent professor as well as an efficient administrator. The College was shifted to the permanent building at Meenchanda in 1970. Today the College has a vast campus of 20.15 acres, which was once under the Zamorin's the ruler of Kozhikode. The College has a harmonious natural setting with a rich diversity of plant life. When the College started functioning, there were only pre-degree courses. By Degree, the College has grown in size and shape. Today the College has 12 Degree Courses, 8 P G Courses and 7 Research Centres.
